

RECYCLE YOUR ELECTRONICS

Wipe your drives.
Clear your SIM cards.

Protect your privacy.

Clear all personal information from computers, cell phones and electronics prior to drop off.

Ensure all memory storage areas have been cleared of private information. Find out how:

- consult manufacturers' websites or electronics owners' manuals
- download software from the Internet
- ask an expert

OES is not responsible for any data that remains on a recycled computer or other electronic device. It is the responsibility of consumers to ensure that all personal data is removed from computer systems, cell phones and all electronics. Consumers should take all necessary steps to clear hard drives, SIM cards and all memory storage areas of personal information before delivery for reuse or recycling.
